

Dear 1st – 4th Grade Parents,

God's Blessings to you today! This letter contains information about our 1st – 4th grade Children's Choir which sings at Immanuel Lutheran Church. Below is some more detailed information:

What is the purpose of this ensemble?

This ensemble is meant to give students an opportunity to sing during our worship services. This ensemble gives a boost to the Sunday School when they sing and also serve as the children's choir at times when the Adult Choir sings. Special events include Sunday School kick-off, the Christmas Cantata, mid-week services, and Holy Week services.

When do we rehearse?

This ensemble rehearses on Thursdays that school is in session. Students go to the school choir room after school dismisses. We have a small snack and then rehearse from 3:30 PM – 4:00 PM.

Who can be in this ensemble?

Anyone who wants to sing in our worship services at Immanuel who is in 1st – 4th grade is welcome. For those in 5th grade and above, there is a Youth Choir that meets before school on Friday morning. Please see Mr. Scheiderer for further details.

Where can I receive further information?

Further information is available at mrscheiderer.wikispaces.com. It can also be accessed through the school website.

Please contact me if you have any questions.

God Bless!
